The background features a large, light gray circle centered on the page. Overlaid on this are several dark gray, angular shapes: a large wedge shape pointing towards the bottom left, a smaller wedge shape pointing towards the top right, and a curved shape that resembles a stylized 'A' or a figure-eight. The entire composition is set against a light gray background with vertical stripes of varying shades of gray, creating a striped pattern.

Unforgettable! The Class of 1993

Shereese Lynn and Towan Conway

## OBITUARY

Suddenly, on February 6, 1993, TOWAN CONWAY was called home and departed this life. Towan was born in Orange Memorial Hospital, Orange, New Jersey on July 31, 1974 to Maud Conway and Eric Johnston. He was the brother of Jarel Nesbit, Angela Brooks, Eric and Erica Johnston whom he loved dearly.

Towan attended Newark public schools and would have graduated from West Side High School this coming June.

Towan found happiness with his fiancee Shereese Lynn. He also spent a lot of time with his little cousins.

Towan leaves to cherish his memory his parents, Maud and Eric, his brothers and sisters; his grandparents, Lena and William Strother and Paul and Bertha Johnston. He also leaves many aunts, uncles and cousins.

Towan, you will be deeply missed by all of us. Your soft spoken voice, quick smile, honesty and devotion will forever remain in our hearts.

Sleep on Towan, take your rest,  
we all loved you dearly,  
but God loved you best.

# West Side Stuns No. 1 Team

Led by seniors *Sabriya Mitchell* and *Denise Anthony*, West Side came up with a convincing 60-50 upset over Egg Harbor, the No. 1 team in the Star Ledger Girls' Basketball Top 20.

West Side improved to 28-3 with this stunning victory.

Mitchell, who finished with 15 points and 7 assists was named the game's MVP. She controlled the tempo while her teammates controlled the glass.

Anthony, who finished with 25 points and 9 rebounds is the 7th girl this season to pass the 2,000 point plateau for her career.

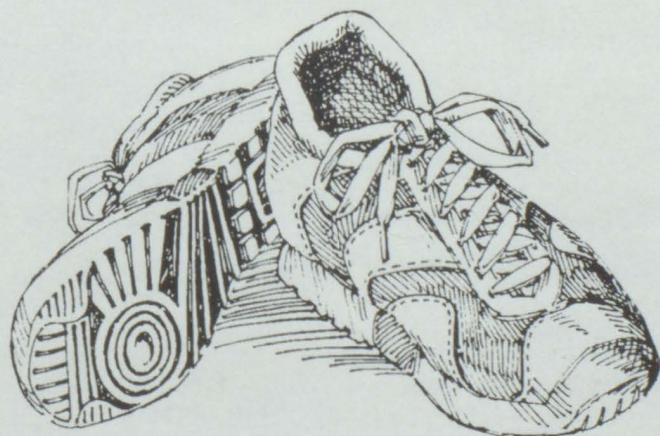

Mitchell, a third-team Star Ledger All-State selection last year iced the game when she found Jackson for a layup with a full court pass from out of bounds for a 57-48 lead and 1:18 left!

## West Side Excels In State Tourney

Newark's West Side girls' basketball coach *Bara Baker* prepared himself for the bus ride from Essex County to Mommouth College for the Tournament of Championship quarter-final-round game with Haddonfield.

After witnessing his team turn in its biggest victory of the season over Egg Harbor the squad had little time to rest.

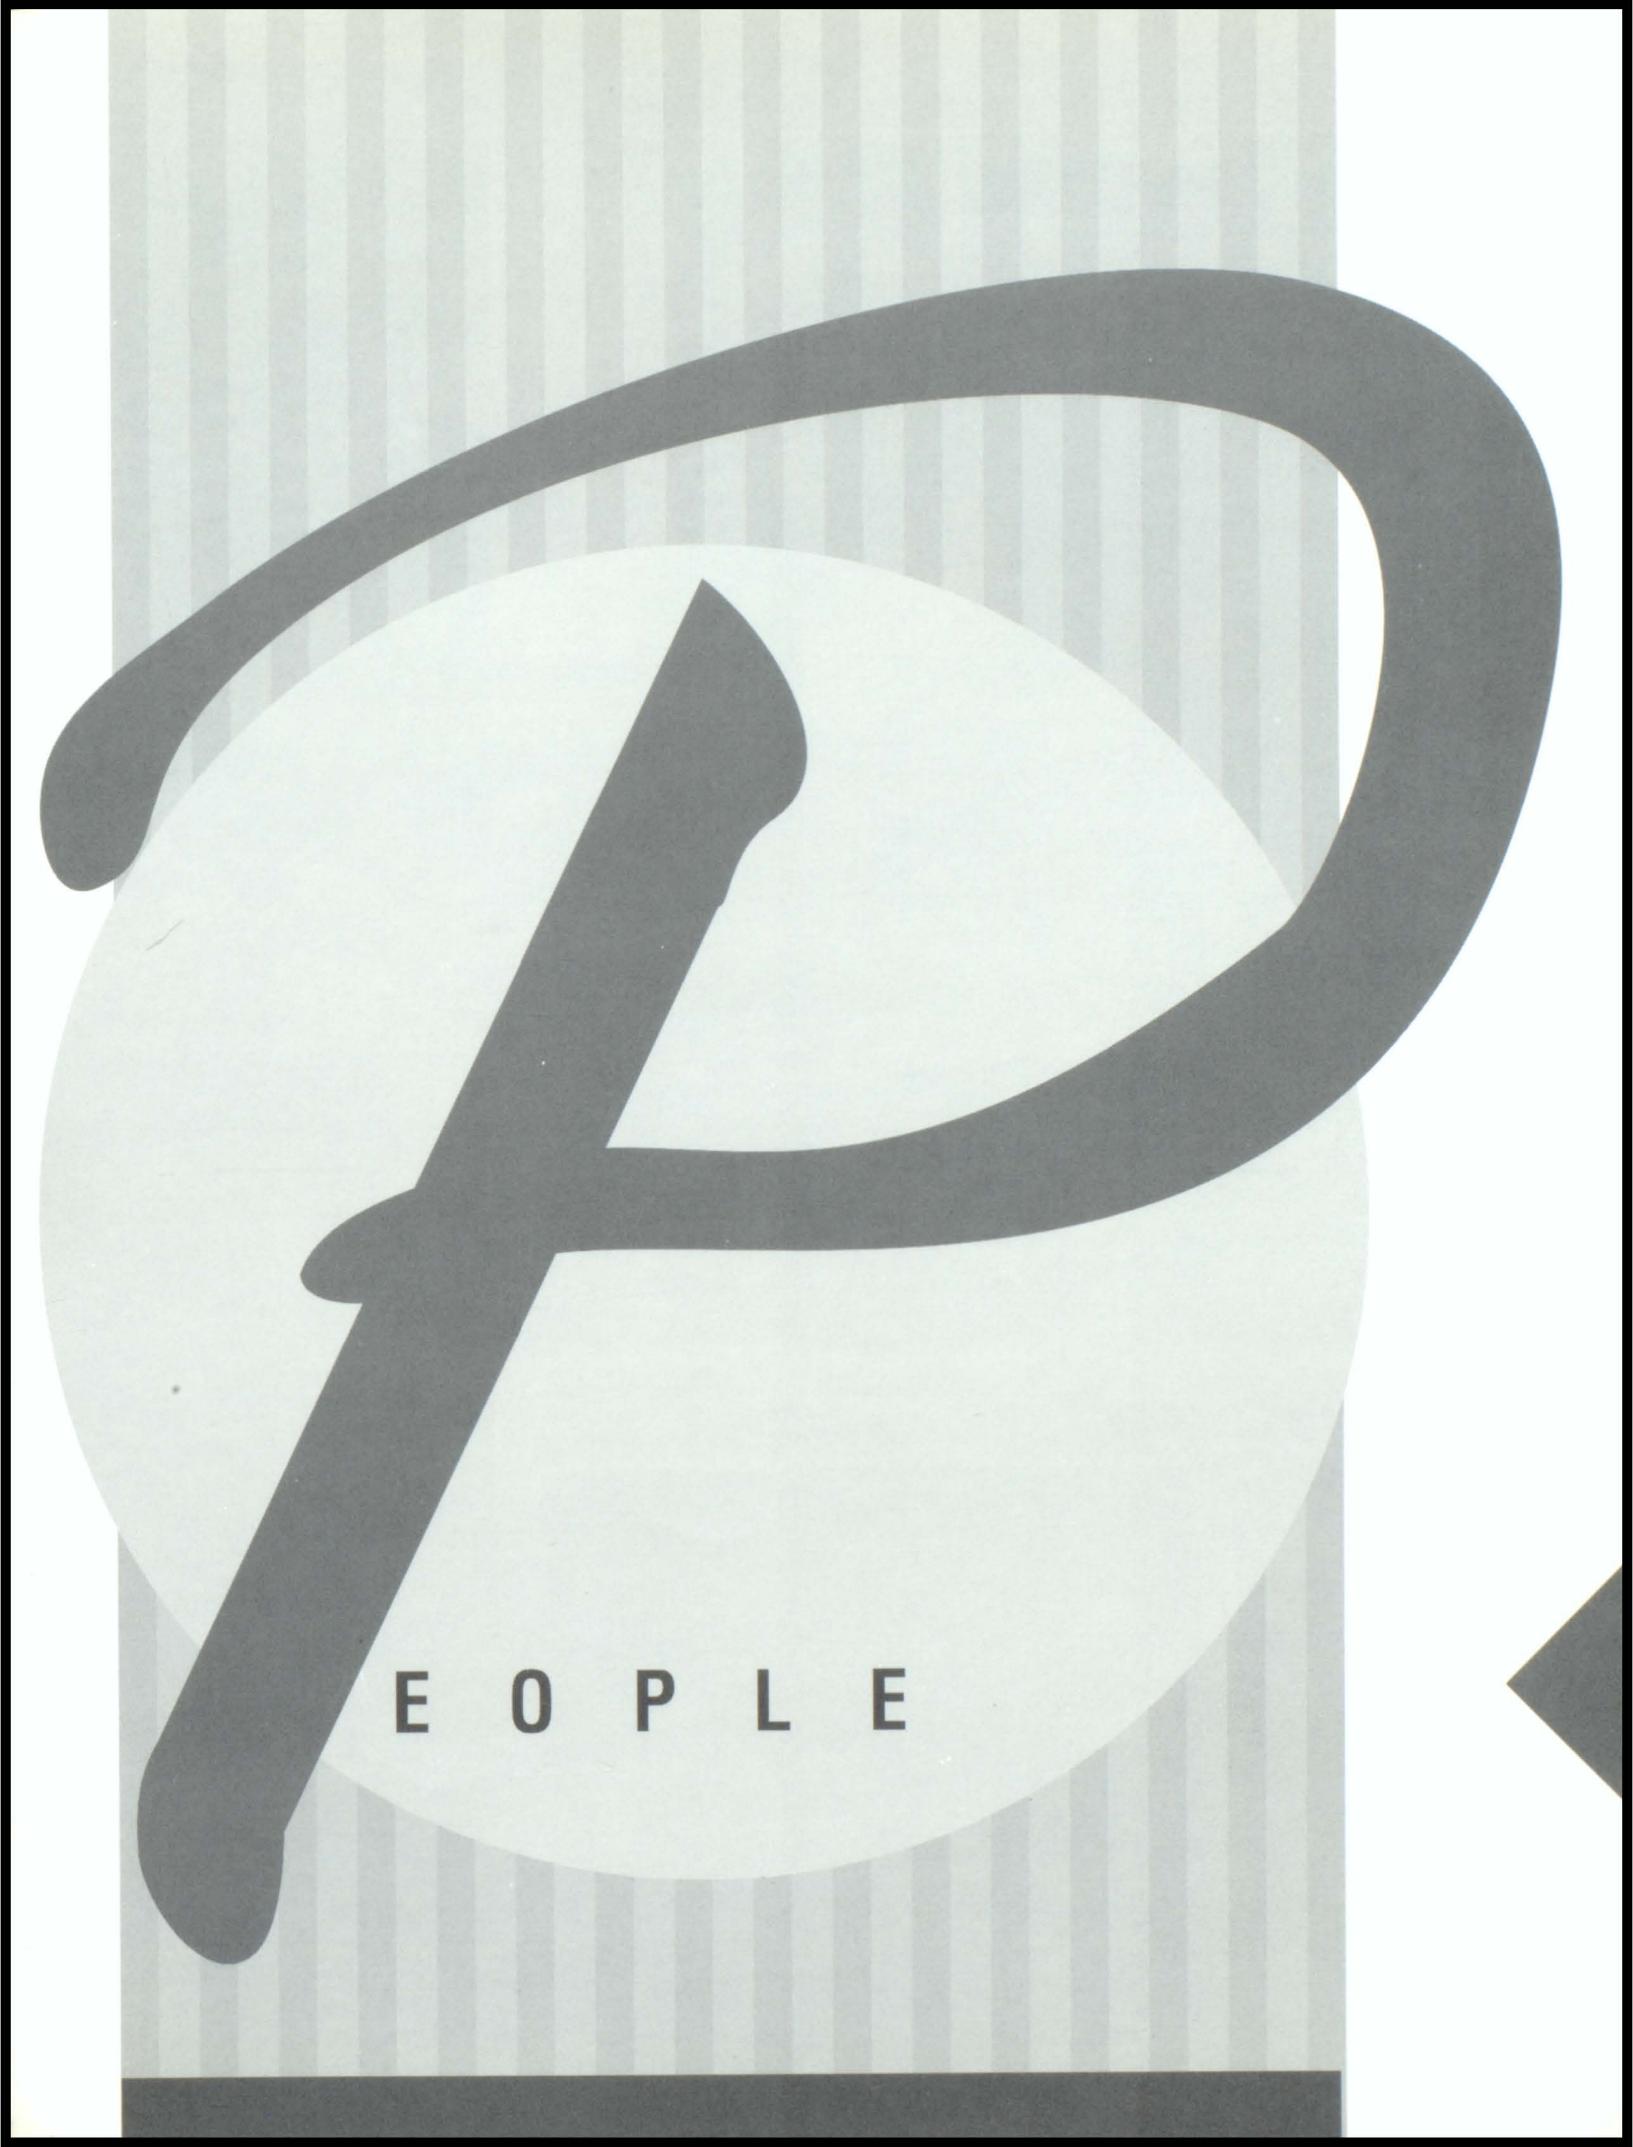

*Denise Anthony* provided a steady dose of offense, taking advantage of open jumpers along the wings to pump in 28 points as West Wide ground out a 44-39 victory.

Mr. Williams and Jorelle Green show Mrs. Austin their appreciation for her contributions to the development of young people and her dedication to her profession.

*The Scholar's Recognition Award* is given each year to an educator who has been nominated by our scholarship recipients. Each awardee was asked to nominate the most influential individual during their high school years. This year 72 educators received this award. Mrs. Austin is among a select group of individuals who have contributed in many ways to the development and success of William Patterson's current class of scholars.

To the Class of 1993,

You are on the cutting edge of the 21st century.

Yours will be the voice to emerge as you enter this fast-paced, technological world.

Your admission to this exciting and fascinating arena is preparation and dedication.

While you may encompass a wide range of talents that cover a spectrum of achievements, you have only begun to realize your individual worth to the community and society at large.

As you approach the next plateau, I hope the knowledge, the ideas and the guidance that you received here at West Side High School will serve as a base to facilitate your growth and success.

Remember that learning is a lifelong process. I hope it may continue to open doors to a successful future - You are unforgettable!
